## **Image Use Permission Grant Form for Copyright Holder**

I grant permission to the National Institute of Education Library and Information Services Centre (NIE Library) to archive photographs/digital images taken or created by me in the NIE Digital Repository. I also grant permission to the said Library, any staff or student of the NIE authorised by it to use these photographs/digital images for educational purposes in NIE publications, news releases, flyers, brochures, display boards, exhibits and other materials without notifying me. These materials may include printed or electronic publications, web sites or other electronic communications.

This is a grant of non-exclusive right to archive and use my photographs/digital images for an indefinite term.

I waive any right to inspect or approve the printed or electronic materials that may be used in conjunction with them now or in the future, whether that use is known to me or unknown, and I waive any right to royalties or other compensation arising from or related to the use of the photographs/digital images.

I agree to indemnify and hold harmless the NIE Library and any persons authorised by it against any claims, damages or liability arising from or related to the use of the photographs/digital images.

I have read this document before signing below, and I fully understand its contents, meaning and impact. I understand that I am free to address any specific questions regarding this document by submitting those questions in writing prior to signing, and I agree that my failure to do so will be interpreted as a free and knowledgeable acceptance of the terms of this document.

I have also read the terms and conditions governing the use of images in the library collection printed on the Image Use Undertaking Form.
